# President's Desk

Dear Friends,

It has been a wonderful tenure as President of the Xavier's Alumni for the 2nd time – with a plethora of events being organized for the School and the Alumnus in the last 2 years. But all of this has been made possible because of the relentless hard work, dedication and loving support of my Executive Team members – who have become a close knit family during the course of time.

Luv Shekhawat '98 has been the ideal Secretary – managing all the routine work and seamlessly coordinating with the School authorities for all our events and more.

Nagendra Pratap Singh '95, Jaidev Totlani '89, Kartik Sinha '02, Atin Mathur '09, Mohd. Tariq '02, Ahasan Khan '96 & Rizwan Ahmed '95 have consistently done a meticulous job of organizing the various Sports Events – be it Football, Cricket, Badminton, Volleyball or Handball.

The various academic events like the Quiz, Essay Writing Competition, Robotics workshop etc. were smoothly conducted due to the efforts of Kishore Joshi '86, Mohd. Aqil '91, Anant Pareek '97 & Yogesh Sharma '07.

The Newsletter and Social Media team of Ashish Nagar '89, Rajiv Jain '94, S.P. Natha '96 and Anuj Mathur '99 have always

been on their toes to spread the latest happenings amongst the Alumni members, and bring out the iconic Newsletter at regular intervals.

I would also like to acknowledge the support of Raghu Raj Singh '81, Neetiraj Singh '95, Mohanlal Sardana '91 and Anurag Mehta '93

and so many other active Alumni members who directly or indirectly contribute to the activities organized by the Executive Committee.

Last but not the least, I would like to thank Rev. Fr. Dominic S.J. for playing his role of the Director to perfection – always guiding us and ensuring the fullest cooperation of the School authorities and staff in our endeavours.

It is time for me to bid adieu as the President, and hand over the reins to my respected senior Ajay Kochar '76 and his new Executive Committee, who will formally take charge on the upcoming AGM. I wish them the very best for the next term, and hope that they will take the glory of Xavier's Alumni to greater heights. Of course I shall be always available to support and strengthen the bonds of fraternity, and help in whatever ways I can.

I take this opportunity to congratulate the Golden Jubilee batch of 1969 and the Silver Jubilee batch of 1994 and extend a warm welcome to all the Alumni to join their celebrations at the upcoming ANNUAL GENERAL MEETING on Thursday, 26th Dec. '19.

I & my Executive Committee, once again thank you for all the blessings, love and support which we have received from our seniors and juniors and wish you all Merry Christmas and a prosperous New Year!

– Dr. Suneet Singh Ranawat, '81

As per the rules laid down in our Constitution, there is a change of guard every 2 years for the Xavier's Alumni, Jaipur. The process starts from appointment of 2 election officers who in turn invite applications from Batch Representatives of all members of the Alumni. The Collegium formed thereafter nominates / elects the new Executive Committee for the next 2 years. Ajit Bhargava '71 and Ajit Singh '62 took the onus to conduct the proceedings. ## 7-A-SIDE FOOTBALL TOURNAMENT

The 4th Edition of 7-a-Side Alumni Football Championship was organized with four Teams as Golds, Reds, Blues and Greens. The star attraction of the event was the Director of Alumni and Principal of Xavier's School, Fr. Dominic who played for the GOLDS team. Showcasing true sportsman spirit in one game, Fr. Dominic scored but straight away confessed that it was a 'Hand of God' goal- much alike the infamous Maradona strike. Well

Ahsan Labib Khan did a wonderful job in organizing the tournament to perfection inspite of last minute sponsorship shortfall. Senior footballers of Xavier's Alumni like Gajraj Singh '88, Ashish Nagar '89, Suresh Nair '89, Sunil Nair '91, Ishrat, Rehman Rana, Ahasan, Ravi, Raghav, Yogesh, Mujahid and many others participated zealously in all the matches and were specially felicitated by Tariq

for their passionate dedication in playing the tournament every year and setting an inspiring example for the youngsters. Many Alumni members turned up to enjoy the games and cheer up the players. Heartiest thanks to the School authorities, ground staff and the referees for the successful organization of the event.

- who else would have been more favoured by the Almighty for this benevolence!! Blues had a smooth sailing with the young and senior footballers playing in tandem under the able captaincy of Sunil Nair - winning all of their matches - including the finals!

# POOLSIDE PARTY

The enticing prospect of pristine cool waters of the Xaviers Olympic size swimming pool beckoned the crowds at the annual Alumni Poolside Party organized on 29th June, '19. The hot sunny day initially dithered the attendees, but then they started trickling in by 6 pm onwards. The junior pool soon filled up with siblings of the Alumni, some of whom joined them in recreating their 'Fundoo Sir' days.

Thanks to the zealous Ajit Bhargava, Hemant Sharma, Rajiv Bhargava and Mukesh Jindel (all of 1971 batch) – who took upon themselves to propagate the unique Xavier's legacy of Baseball, we saw a lively game with the younger Alumnus being coached in the techniques and rules by these stalwarts.

The customary Water-polo game occupied the shallow end of the pool with spectators enjoying the frenzied splashing and shouting of the participants, and cheering them on every time the ball was smashed in the nets.

Peppy music from the D.J. Corner and live commentary on the proceedings by Dr. Aquil'91 enlivened the atmosphere and kept the momentum of the party going on. Around 7 pm, as the appetizing aroma of chicken biryani, mutton kebabs and pao bhaji started seeping in the swimming pool area, the crowd moved outside to the upper field lawns to replenish their energy with the sumptuous snacks.

Recreating the old times, there was a Movie Show on a large LED screen and hi-fi sound system, which accentuated the visual effects of the action packed movie 'JOHN WICK- CHAPTER 2' starring Keanu Reeves. The audience enjoyed the relaxed atmosphere sitting down on the soft and lush lawns of the field, and watched the gripping movie till the end.

All thanks to the immense co-operation and involvement of the Principal Fr. Dominic, Vice Principal Fr. Sobin, Rajendra Choudhary Sir, Dandia ji and the support staff, the annual Xavier's Alumni Poolside Party was once again a successful event coordinated and managed by the enthusiastic Executive Committee - specially Luv Shekhawat, Tariq, Nagendra Singh, S. P. Natha, Ahasan and Mohd. Aquil.

## OBITUARY – SHRI TRILOKI DAS KHANDELWAL, BATCH 1950

The Xavier's Alumni Family extends heartfelt condolences on the sad demise of one of its seniormost members - Shri Triloki Das Khandelwal.

He studied at St. Mary's in the junior classes and joined St. Xavier's, Jaipur later as a student of the First Batch of the school. He studied in Xavier's for 4 years and passed out in the year 1950. A jeweller by profession, Triloki Das ji was also associated with the Jaipur Silica Company, and proud owner of the famous "NAWAB SAHAB KI HAVELI" in the walled city. He never lost touch with his Alma Mater – regularly

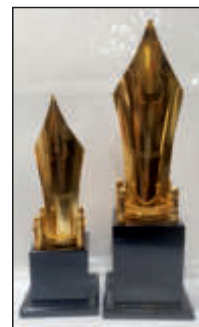

coming to the School Grounds and the Swimming Pool till recently, and a permanent attendee at our AGMs for many years. All his associates remember him as a caring and compassionate human being who contributed generously towards social issues. A pious man, he was an astute devotee of Lord Krishna – mandatorily going for the Morning and Evening Darshan at the Govind Devji Mandir every day.

Triloki Das Khandelwalji passed away recently on the 4th of Sept. '19. We pay our deepest respects to the departed soul and pray for the Almighty to grant him everlasting peace.

The XAEC members felicitated the following teachers – Mrs. Archana Sharma, Mr. Melven Castelino, Mrs. Preeti Pareek, Mrs. Rama Trivedi Shekhar, Mrs. Peeush Joshi, Mrs. Lalita Pareek and School staff – Mrs. Prem Devi, Mr. Amrit Kullu, on completing 25 years of dedicated services in a function held on Sept. 5th and expressed gratitude towards Mrs. Minney Fostina Singh on her retirement.

## HANDBALL TOURNAMENT

Xavier's Alumni Handball Tournament was conducted from 7th to 15th July, 2019. Most people would confuse this sport with conventional Handball – but not a Xavierite – who has grown up seeing players smashing the ball on the huge Cement wall using their palms – much alike Squash without any racquets. This is a sport unique to Xaviers Jaipur. The tournament witnessed enthusiastic participation from young and senior Alumni members. We had 16 entries in the singles and 30 entries for doubles category.

**Winners (Singles) :** Brian Charlesworth (2003)

**Runners up (Singles) :** Shiraz Afridi (2016)

**Winners (Doubles) :** Shiraz Afridi (2016) and Lakshit Sharma (2017)

**Runners up (Doubles) :** Brian Charlesworth (2003) and Nabeel Ahmed (2011)

The winners were presented the prizes and Trophies by the Principal Rev. Fr. M. Arockiam and XAJ President Dr. S.S. Ranawat.

Heartfelt thanks to Mahavir Pratap Sharma (1984 batch)- an avid Handballer himself –for sponsoring the event and helping Nagendra Singh '95 and Rizwan '95 of the XAEC to successfully carry on the tradition.

## X-MEN OF BATCH '94

**T**ime flies quickly! Oh my God, 25 years have gone by ... if that thought was not overwhelming enough, summarizing the in a few words was proving extremely challenging. Luckily, I stumbled upon this beautiful poem:

*School is a daily routine for us.  
In the morning, we're sure to make a fuss.  
Even when the sun is still not up,  
Here we are, awake at 6 am sharp.  
Late a minute and we have to run.  
Eyes half-open, shoelaces undone.  
We reach school and we see our friends.  
Immediately, the torture ends.  
We may at times find school stressful.  
To have some fun, we have to bend some rules.  
Talkback to teachers, and detention we serve  
No doubt, it is sometimes what we deserve.  
They teach us and give us a helping hand.  
They're forever ready to listen and be a friend.*

When I was reading this, it suddenly hit me – the X-Factor of Xavier's!!

And that I think friends, is the secret - the feeling of belongingness started with that shared scooter ride to school, brainstorming to think of innovative excuses if you were late or during dress-checks, the camaraderie to survive all the classes, returning back in the evening every day when the same friends turned into competitors in sports/dramatics because they belonged to a different House, strict disciplinarian Fathers played the role of friendly mentors and the most vociferous players on the volleyball court....in the end, everyone belonged to ONE INSTITUTION.

A special thanks to all the Fathers, teachers, Staff members/office-bearers and all fellow Xavierites for creating this wonderful environment which was not just a school but a way of life. I will forever be proud of being a part of this community .... Cheers for Xavier's !!

## ANNUAL SPORTS DAY - JAIPUR

# GOLDEN-BLUES : THE BATCH THAT BID GOODBYE TO THE SIXTIES

As the 69ers (no sniggering, please) celebrate the Golden Jubilee of their completing a defining decade in Padri School under the leadership of Fr. Richard Pereira, this short note from noted cardiologist Dr. Shiv Harsh encapsulates how we were schooled to become the older but wiser men we are today. St Xavier School in the 1960s was indeed a life-defining experience for all of us.

## A School of Fish?

A loud thump was followed by a barely stifled gasp from thirty-odd teenagers stuck behind their desks. Then a pained voice rose up from the floor. "Son, give me poison but don't give me such an essay. Zero out of ten." The tall frame of Father Ryan was hugging the floor, where he had fallen, or rather allowed himself to fall.

Fr. Ryan had this uncomfortable ritual (for us) of having one of us read his essay out loud in front of the class. The offending kid this time (who shall remain nameless) was not fond of using words of one or two syllables when words of five or six syllables would do. Father Ryan, needless to say, was not amused. Simplicity, Clarity, Laser-like focus. These were the virtues our teachers drummed into us, and for the most part, they have served us well. Miss Francis got the ball rolling with "Living English Structure," and there was no looking back.

By the way, I often wanted to ask whether there was also a "Dying English Structure," but the thought of being sent to Fr. Ribeiro for a few choice "bend-overs" gave me pause.

Hindi and Sanskrit were not neglected either. Pandit

Hukum Narain still lives large in my memory, a firm reminder that a humble life, simple living and high thinking can electrify students far more effectively than any flamboyance. And the ability to sing Hindi poetry doesn't hurt, either.

And Sanskrit? I don't know about others, but the love of that language which our teachers aroused in me challenged me such that to this day I read the Gita and Valmiki Ramayana in the original Sanskrit. Don't ask me how much I understand!

Ah, those days! Calling our school a school is a travesty. A school of fish refers to the same species that swim together and move in a synchronized manner. We were a swarm of bees, a barrel of monkeys, mischievous, cranky, from disparate worlds. And the school, the teachers, turned us into a pride of lions.

I am a Xavierite, hear me roar!

— Shiv Harsh '69
