Live to love, and Love to serve

Our alumni have been very active in the school to make their presence felt by organizing various events for school children and for its members so that a strong bond is established with the institution. I congratulate the executive members who work as a team in all endeavors, including this present edition of the Newsletter. Records are necessary to capture the experiences of the present moment and to preserve the same for the posterity. May this Newsletter help all to relive immediate past and connect all its members.

As we get into a routine of life, sometimes we fail to cherish the present moment and forget the eternal values like love, beauty, truth, service, joy etc. Live to love, and Love to serve – If we can keep this maxim in mind, life will never be boring and our existence will be joyable for ourselves and meaningful for others. Make a beginning and leave a legacy.

Deus Fortitudo Mea!

– Fr. Dominic Arockiam, S.J.

# President's Desk

Dear Alumnus,

I am so happy to share that the present Alumni Executive is not only devoting time but also working as a close knit unit to fulfill the desired or laid down task to perfection and in stipulated time. Two sports tournaments for the Alumni - Volleyball and Badminton - were organized for the first time ever ! I congratulate the Sports Committee and supporting Alumni Executive members for conducting the events successfully to their glory.

This year we have started five Fr. Wilmus Scholarships of Rs. 25,000 for under privileged students – contributing Rs. 1,25,000 to the School for the same. To help the needy in overcoming the unfortunate calamity, the Alumni donated a cheque of Rs. 1 lakh towards the Kerala Flood Victims to Rev. Fr. Varkey Perekkatt, Fr. Dominic and Fr. Sobin.

The Alumni teams for Cricket and Basketball have been invited by DOXA, the Delhi Xavier's Alumni, under the Annual Exchange Program on 19th and 20th Jan 2019. To enroll, you may contact our Sports Committee members - Nagendra Pratap Singh for Cricket and Mr. Rizwan for Basketball.

Start practicing Friends !! To foster the spirit of fraternity in other Xavier's institutions, I attended the Silver Jubilee Function of St. Xavier's, Bhiwadi on Nov 30th, along with the Jesuit Fathers from our School. Thanks to our sponsor Abhishek Baid'94, we contributed to the Go GREEN initiative at St. Xavier's Nevta by planting about 150 trees of different varieties in the Campus.

Further, I on behalf of the Xaviers Alumni Executive Committee, invite you all to attend and partake in the proceedings of ANNUAL GENERAL MEETING on 26-Dec-2018 in maximum numbers, so that the Association gets meaningful direction from your participation. The Executive has tried to make the event more lively and enjoyable this time - taking a diversion from the usual evening program to a daytime function with a Lavish lunch (contributory) and Music preceding the formal function at 2.30 pm in the afternoon.

We have been trying to involve the Batch Representatives of the Collegium in all the major events being organised by the XAEC, and here again I request all the Batch Representatives to be more participative and also ensure maximum batch attendance at AGM so that it is not limited to just the members of the Golden and Silver Jubilee. Lets join in, appreciate and encourage their Jubilee festivities so that the day becomes a unforgettable one for them and us!!! Merry Christmas in advance and best wishes !! Cheers for Xaviers.

# GOLDEN JUBILEE 1968 BATCH

When you are asked to write about an innocent life time in 250 words, you really do not know where to begin. Possibly KG only. Yes KG, Prep, 1st Std and a jump to 3rd Std and so on till end of March '68.

Innocence, discipline, good morning father, good morning teacher, laid the foundation. Still remember Maharani Gayatri Devi for a school Sports day – breathtaking in her French chiffon. Father Burney's death, the sweet teachers, the ever composed Fr. Pereira and the terror- Fr. Rebeiro. Father Grace – the angry young man, Fr. Pinto, Fr. Cosgrove – great people to dedicate themselves to teaching and moulding lives of so many of us. After 5th/6th, the school activities took precedence over studies – Plays, debates, silent infatuation for pretty teachers, school picnics – cycle picnic to Ramgarh, overnight to Pandupol, MGD girls on Ashok Marg became a distraction. The school canteen, cone for 25 paise (4 aanas) pastry cream roll for 12 paise, handball courts, Marshall cricket coaching, 8-9 players from school in the Cental Zone school boys team.

And not to forget the Saturday movies – Cowboys and Red Indian, Lions of the 20th Century Fox.

Each one of the batch has carved his own niche and we are blessed to still feel so bonded – all thanks to our Alma Mater, which gave us a solid foundation to build upon successful and meaningful lives!

Cheers for Xaviers!!

— Anand Bhaiya '68

My earliest, somewhat vague memories of the school are from 61 years back: my mother taking me for admission to St. Xaviers. I do not remember if I took any entrance exam, but I do know that being admitted to the school was perhaps the most important event in my life besides being born.

In looking back, after a slow and a shy start and being called a fatso for a good reason, things slowly

and steadily got better until they exploded and I was immersed in the wonder that was the school. Ahead of its time and far beyond what other high schools offered in our city, St. Xaviers offered a world view that broadened our horizons to the extent we could never imagine in those simple times.

Dedicated American priests and teachers from all over the country and of every faith created a keen awareness and appreciation of different cultures, faith and peoples.

There were so many institutions within this great institution. The library was one of those special places that imparted a love for reading on so many of us. Run deftly by the unsmiling and strict Mr. Hariram Asrani, it was replete with American magazines that I remember reading with fascination

and wonderment. It was also neatly packed with beautiful books. Famous Five, Hardy Boys, PG Wodehouse were the favorite books that transported us to different magical places and times.

Besides the legendary Fr. Wilzbacher, there were so many other

memorable teachers: R.L. Sharma for his counter intuitive views, Panditji, simply out of place but always held his own; Mr. Jain, our math teacher and his stories about Chicago. And then there were the lower grade teachers: the diminutive Miss Francis, ssay Ms. Samrat, Ms. Lobo, Barar, Malviya, and George (some of whom later become objects of our early teenage crushes).

Last but certainly not the least were the students. In my later years, in other such congregations I have never seen a group of boys who were so talented, witty and intelligent. Always ready for fun, a good challenge and success. I wonder if some of their excellence rubbed on the little boy who came with his mother and joined the school in 1957.

# SILVER JUBILEE 1993 BATCH

It has been 25 years since we passed out from our prestigious institution under the able guidance of our respected and beloved Fathers and Teachers. To reminisce this historical moment, we will be celebrating our Silver Jubilee Event during December 23 – 26 this year.

We are grateful to the School Authorities for granting permission, for the first time in the history of St. Xavier's, to organize gala lunch for the Silver Jubilee batch (1993), Golden Jubilee batch (1968), Xavier's Alumni, Teachers and the School Management, all together on December 26, 2018. This will be followed by Annual General Meeting in the afternoon.

Batch mates from different parts of India as well as NRI's from USA, UK, Spain, UAE and other parts of the world will participate in this event.

All of us are proud to be Xavierites and as responsible members, we pledge our solidarity with the mission and vision of the Xavier's Alumni Association.

— Anurag Mehta '93 &  
Tarun Sharma '93

School days were the most mundane time of our lives, but equally fun. Now today, when we look

back on our class photograph, we remember at least one funny incident or moment that we have shared with each member of that class. From the morning

bell to waiting for the last bell to ring, the eight hours of school every day looked so long. When I think of school, I only remember the fun I had. Civics and History classes were to take a power nap after lunchtime while some studious classmates marking

important sections of the chapter.

When a friend asks for a pen, you tell them 'sorry yaar, I only have this one'. I remember toffees distribution in the class during birthdays and going to all other classes to offer toffees to all teachers, taking our bestie along and feeling happy when our teachers wished us. Most of our creativity and aptitude was at display on the last pages of the notebook, where we played tic-tac-toe, doodled and drew the first thing that came to mind. It's fun to remember taking the shortest route to the washroom but walking as slow as possible taking the longest route back. There are several other moments such as picnics, outings, birthdays, that are now memories and they're bound to be made and fade.

## XAVIER'S HEROES VOLLEYBALL CHAMPIONSHIP 2018

Our martyrs are the true heroes – the brave soldiers who unflinchingly serve our nation and its citizens and remain forever etched in the annals of history. The XAEC organizes an annual interschool Volleyball Championship as an ode to the Xavierites who have laid down their lives for the nation, and made us all proud to have been their schoolmates.

This edition was conducted in the school grounds from the 3rd- 5th Dec 18, with 6 teams each of girls and boys from different schools. The Xavier's

Girls team lifted the Cup, defeating Defence Public School in the Finals. Sana Koth of Xavier's was adjudged the best female player. Finals of the Boys competition saw a fierce match, in which Defence Public School prevailed over Maheshwari Public School, (Pratap Nagar). The best male player was Saumya Pareek from Defence Public School.

Running Trophies and Prizes were presented to the winners by Rev. Fr. Varkey, Fr. Dominic and Fr. Sobin. The sports committee of XAEC and the school authorities & staff deserve a special mention here for their dedication and immaculate execution of the 3 day long tournament.

# SHREE BHAGWAN SWAROOP AGRAWAL MEMORIAL BADMINTON TROPHY

The first ever Xaviers Alumni Badminton Tournament – the Shree Bhagwan Swaroop Agrawal Memorial Badminton Trophy, sponsored by Anurag Agrawal '97 in memory of his Late Father, was a 3 day affair with back to back matches being played on the 22nd, 23rd and 24th Oct'18. We witnessed enthusiastic participation from the young and not so young Alumni shuttlers at the Badminton court of Fr. Batson Sports Complex. There were 12 entries each in the Singles as well as the Doubles category. 4 groups were created for both categories and a total of 30 matches were played.

Vinod Somani '97 won the SINGLES FINAL against Anurag Agarwal '97 and the team of Manish Baghla '95 & Ashish Sharma '2000 prevailed over Dr. Rajat Vohra '97 and Dhruv Notiyal '97 in the DOUBLES FINAL. Rev. Fr. Mani and Fr. Sobin were present to grace the occasion. Running Trophies to the winners were presented by Mrs. Premlata Agrawal and Dr. S. S. Ranawat (President XAJ). Meticulous planning and execution by XAEC – specially, Rizwan Ahmed '95, Nagendra Pratap

Singh '95 and Anurag Agrawal '97 resulted in a competitively played tournament. Thanks to school Administration and Staff, and specially Mr. Sharad Dandia, who facilitated the successful conduct of the event with his able support and guidance, the first ever XA baddy tournament laid the foundation for a bigger and better event for years to come.

# POOLSIDE PARTY 2018

The nostalgia of the serene swimming pool, the thump of the ball on the basketball court, the pulsating energy of the games on the football field—all these memories drew a record number of young and old Xavier's Jaipur Alumni to the much awaited Poolside Party 2018.

The event was a delightful affair with stalls of sumptuous veg and non-veg food at reasonable prices, reverberating DJ music to keep the momentum going on and to top it all, a Live Band performance by our very own alumni Mr. Deepak Andrews '76, along with his talented musicians and singers who made us all wish that the evening would never end. The special music stage and the lighted dance floor electrified the basketball court, transforming it into a huge party area.

The event started off with the customary baseball games, though with a lesser number of participants than usual, but was compensated by the volleyball games being played alongside. The fifty meter Olympic size swimming pool appeared small for the young guys and girls who swam, danced and played water polo along with posing for the customary selfies with the jubilant atmosphere in the background. The kids pool too was full of frolicking siblings of the Alumni – who were probably reminiscent of their younger days with

Fundoo Sir training them in the erstwhile small pool.

The event was patronized by some of our respected teachers, Fathers and Sisters, who thoroughly enjoyed the charged ambience of comradeship, old memories, fun and joy. Special thanks to our beloved Rector Rev. Fr. Verky for imposing faith in the Executive Committee so that we could wholeheartedly organize the poolside party with music, dance and yummy food carrying on till about 9:00 pm, and with everybody participating

in the event with grace and decorum.

# ABHIMANYU SINGH CHAUHAN MEMORIAL FOOTBALL MATCH

**T**he Annual Flying Officer Abhimanyu Singh Chauhan Memorial Football Match 2018 was organized on 14th July 2018 on his 40th Birth Anniversary.

Abhimanyu - lovingly called Manyu - was born on 14th July 1978 at Jaipur. After passing out from Xaviers in 1995, he did his B.Sc. from Maharaja College and got selected for National Defence Academy (NDA) Khadagwasala, Pune from which he graduated in the year 2000. He then joined the Air Force Academy, Hyderabad and earned his wings for the INDIAN AIR FORCE. A daring soldier, he made 75 sorties at the Tezpur Flying Airbase near China Boundary for inspite of threat warnings by terrorist organizations. Though recognized as an exceptional pilot, his MIG 21 crashed while patrolling near the Indian North-East border and we lost a brave soldier at the young age of 24. He was awarded with VISHISHTHA SEWA PADAK after martyrdom for his Exceptional Services & Military Intelligence". Manyu was a born athlete and he excelled in his favourite sport of Football - playing at the National level for school and college. During his NDA tenure, he played a vital role in defeating France Defence Academy Team and was awarded as "Most Energetic Player" by the Admiral of France Defence Academy.

The commemorative friendly match was played between Xavier's Alumni and Xavier's School Football Team at School grounds. Both the teams showcased excellent team spirit with an energetic display of footwork and strategy. Spectators remained on the edge of their seats and applauded the skills of the Alumni old war horses and the enthusiasm of the young blood.

The first goal for the Alumni team was scored by Justin Varkey '94 and for the Xavier's School team, it was Ashish Swami (son of Ashutosh Swami '89 batch). The hard fought game was tied at 3 goals each by a mesmerising last minute goal by the Alumni team.

In appreciation of their efforts, The School Football Team was presented with Rs. 1100.00 cash by Xavier's 96 batch and the RUNNING TROPHY was jointly given to both the teams by Abhimanyu's parents and Dr. S.S. Ranawat (President XAJ). Family members of Abhimanyu were the Special Guests and their joy and pride of being amongst the friends and colleagues of their much loved son was quite evident. The batch of '96 and members of the Xavier's Alumni Executive Committee spared no efforts in making the event a unforgettable one - and befitting the memories of dear Manyu.

CHEER FOR XAVIER'S!!!

## XAVIER'S ALUMNI SQUASH TOURNAMENT-2018

Xaviers Alumni Squash Tournament was conducted from 29th to 30th Oct 18. We witnessed enthusiastic participation from Alumni members and had 15 entries, and about 14 matches were played amongst the participants. After the initial elimination rounds, the First Semi-final saw Ashutosh Swami '89 thrashing Rahul Singhi '98 by 11-3, 11-2. In the Second Semi-final, Rahul Tyagi' 2008 defeated Naveen Dhurka '87 by 11-5, 11-6.

The Finals was an exciting match in which Ashutosh Swami defeated Rahul Tyagi by 11-8, 11-1, 11-1. The Running Trophy was presented to the winner Ashutosh Swami by Mr. Sharad Dandia, our beloved Sports-in-Charge at the Fr. Batson Complex. Hats off to the veteran sportsman of 1989 batch - who still seems to be in his prime-for comprehensively beating his much younger adversaries in the game.

Thanks to M/s. Dot Squares (Bahul Chandra '94) for sponsoring the tournament and to XAEC, Nagendra Singh '95 and Luv Shekhawat '98 for successfully organizing the event. We express our heartfelt gratitude towards the School Administration & Staff, specially Mr. Dandia for facilitating successful conduct of the tournament in the Fr. Batson Sports Complex.

## RAFEE CUP FOOTBALL LEAGUE

Mr. Mohd. Raffee '74, was a dashing young footballer of his times – an aggressive center forward- who played at the school and state level. An active member of the Alumni, he went on to become the President of XAJ in 2008-10. The annual interhouse football Raffee Cup, promoted by his son Salim Panwar '96, organized by the XAEC from 27-29th Aug., 18 saw the Reds house beating the Greens by 2-0 in the Finals. All the league matches were played with great zeal and fervor, and a good number of Alumni and School students enjoyed the spectacle. Rev. Fr. Dominic graced the occasion and presented the winners with the Running Trophy and prizes.

## MS. KAMLA SARKAR DEBATE

**M**s. Kamla Sarkar- as the name suggests- was very soft spoken and humble, not only towards students but also towards staff and all others with whom she interacted.

She was an excellent, dedicated and committed teacher who used to teach Hindi and Drawing in middle classes.

Her simplicity and down to earth nature was well exemplified in her insistence to ride back home with her regular cycle rickshaw rather than taking a car ride even on her Farewell Day.

Xavier's Alumni conducts the Annual Hindi Debate Competition for Class IX. This year topic was: सामाजिक मीडिया से अत्यधिक लगाव सामाजिक सम्बन्धों में दूरियां उत्पन्न करता है।
