26th DEC, 10:00 AM
**THE ANNUAL GENERAL MEET
OF XAVIER'S ALUMNI**

GOLDEN JUBILEE BATCH '72
SILVER JUBILEE BATCH '97

Message from our Director : Fr. M. Arockiam S.J.

When people come to know that you are a Xavierite, it is expected that you will be a refined person, trustworthy and possess certain fine human qualities. They may look at you, as a role model. It is said that people respect us only for two reasons: Either we have the power or our behavior is helpful. The first one is temporary but the second one is permanent. Many of our alumni have excelled in different fields and have carved a niche for themselves. We are proud of our alumni, who have lived up to the legacy of being a Xavierite.

A lot of activities in the school have been taken care by the association, the staff and students are indebted to the association. Thanks and all the best for the coming events. Congratulations to the editorial team for bringing out this issue of the magazine. May it be a medium to connect the dots in our fragmented lives.

You don't have to be perfect to inspire others, you just need to be honest. Make a beginning and leave a legacy.

Dues Fortitudo Mea!

Fr. Dominic Arockiam S.J.

President's Desk

Dear Friends,

This year I was graciously allowed to continue as President of the Xavier's Alumni Association for 2022-2023 Term. A resolution, I set myself this New Year season is trying to strengthen and pursue more meaningful interactions. This sentiment is well timed due to the volatile global conditions, forcing us into differing degrees of isolation.

When we left school it was impressed upon us that we were destined to become trustees of our society and that we would pass out not just with opportunity but with obligation that would stay with us a lifetime. As students and teachers come and go, everyone leaves their mark, defining what St. Xavier's means for future generations. The Alumni network is a physical embodiment of this, allowing us to foster cross-generational ties and maintain meaningful relationships.

I am sure the silver and golden jubilee batchmates are all excited to be here and meet their buddies after such long years. Enjoy and soak in the sweet memories presented to you with a look back while you look forward.

May your passions become the driving force to realize your dreams and bring success your way in all your endeavors. Warm wishes to you and your loved ones on New Year.

GOLDEN JUBILEE BATCH 1971 REUNITED! AND IT FELT SO GOOD...

On 26th December '21, our class of '71, St. Xavier's School, celebrated its Golden Jubilee – 50 years since we passed out of school - in the school auditorium, which brought back bittersweet nostalgia. The auditorium was the most coveted section of our Alma Mater where we saw our Saturday movies, had elocution contests, hosted heated debates and performed plays.

Of the 120 batch mates, 55 could come to Jaipur for the grand celebration, seven could not turn-up, and 24 enjoyed the party from their abode in heaven. We could not connect with 34 of our batch-mates, as they have probably changed physical addresses and chosen to steer clear of the modern day social networking sites – Facebook, Instagram, or Twitter.

The reunion on the said date had been a big concern, owing to the looming Omicron scare. For a while, we were “almost certain” that we may have to shift the festivities to 2022, but with the blessings of the Almighty, who was probably in connivance with us, and really wished us to meet, we were able to keep the date.

When we finally came together, we realized a lot had really changed in the last 50 years. Age

caught up with most of us. Some of our classmates looked so different that we were having a hard time recognizing each other and kept mixing up names. One of the blessings of having old friends is that you can afford to be stupid with them. Interestingly, nobody really seemed to mind and laughed it off.

Time seemed to have come to a standstill as we sat with our better halves in our school premises, the same place where we spent some very beautiful years of our life. The very place where we grew from little toddlers to confident young adults ready to take on life's challenges.

Through our two-day long celebrations in our School campus and at Castle Kanota, we almost re-lived our long-gone school years. We listened to the journeys of our friends, most of whom have scaled great heights in their careers, the talks by the current lot of teachers and interactions with the younger batches.

After the AGM, we went around the classrooms, the alleys, and corners where we played hide and seek and got lost in the fading memories of the past. Recollections of the authoritative teachers came gushing back, their sky-high, unwavering expectations from each one of us,

the twisting of our ears or caning of our palms and the encouraging types who applauded us for prompt answers. We remembered and narrated all small and big stories to our wives who patiently listened. Catching up with school friends, we realized, is very therapeutic. We reminisced on our innocent childhood, recreated old memories, built some new ones, and remembered all things that made us happy when we were young. The two days infused in some fresh levels of energy, which will not just help us get back to our current day routines with

renewed fervor but will also stay with us for the rest of this lifetime. Like branches of a tree, our lives will continue to grow in different directions, yet our roots will always remain one. We are so proud of you, our dear school. You will continue to hold a very special place in our heart forever. Last but not the least we acknowledge our appreciation and gratitude to Fr. Dominic, Fr. Nelson, Fr. Mani, Ajay Kochar, Kishore Joshi and Satya Prakash Natha for their kind support to help us organize this grand event.

REUNION : CLASS OF 1963

It was 59 years ago (1963) , we left the best school in the world, armed with education, values and desire to serve.... And in 2022 the boys decide to re live the past and to celebrate a common 75 year birthday (+ -). The class of 1963 had its reunion. Classmates came from USA, UK, AUSTRIA, KOLKATA, DELHI and of course Jaipur. When Xaverites get together, Parties are a dead giveaway. We all had a gala time sharing memories of school days, calling each other by pet names. Visit to the school campus was icing on the cake. The morning stroll in the campus was actually heart warming. The Alumni association treated us with breakfast and presented the Alumni T- shirts before we departed for our venue which was Umaid Palace, Dausa.

SILVER JUBILEE 1995 BATCH

XAVIERS – BUDDIES- TEACHERS – NOSTALGIA

It was on the 26th day of December 2021 that the Class of "1995" celebrated their Silver Jubilee. Now the question arises- how come the silver jubilee in the 26th year of passing out ?.... The lockdown and Covid-19 protocols deprived us of this celebration in December 2020.

As December 2020 stepped in, the batch was a bit disappointed that they missed the most awaited Silver Jubilee celebrations. Then all of us decided to make it happen in 2021. The credit for organizing this event goes to Ankit Pareek, Gaurav Kohli, Ajay Agarwal, Vikas Bairathi, Vikram Seth, Nirmal Agarwal, Manan Bapna, Anil Mathew, Sourabh Narang, Ujjwal Chopra, and Nishant Singh.

The pre-silver Jubilee Stag get-together happened at the city's luxurious lounge Labrass, at Hotel Diggi Palace, where Over 100 batch mates met and enjoyed till 2 AM. It was on the 25th of December 2021. Courtesy of Organizing

this amazing party goes to Ankit Pareek, Ajay Agarwal and Vishal Johari.

On 26th December, the day started with assembling around the Senior School. The boys in their school dress and Alumni ties looked perfect.

The sunlight was perfect for group photos. This took place on the iconic stairs of our main building.

Then, the time was spent on giving a guided tour of our school to our wives and kids. The classrooms, staircases, laboratories, corridors, etc. revived old times and old stories. Clicking pictures of our favorite places in school was a pleasure. The friends we met after so many years were hugged. The school hall where the ceremony took place was too amazing.

The teachers who made us what we are today and the staff who took care of us were felicitated

by each of our batch mates. To make this moment permanent, the pictures were clicked.

The masters of the ceremony were Gaurav Kohli and Anil Mathew.

The felicitation was followed by a live band, lunch, and high tea at the junior school assembly ground, where teachers, friends and their families, and schools' past, as well as present staff, enjoyed a lot. This entire event was covered by Rajasthan Patrika, a leading daily newspaper.

The post-ceremony family party was again organized at one of the prestigious clubs of Jaipur, Ashok club on 27th December. The courtesy of organizing this Gala function goes to Nirmal Agrawal and Navneet Goenka.

Then came the time to depart. With heavy hearts and moist eyes, we all paused the celebrations, the bottom line was "see you, buddies".

The catching up and meeting with friends still continues.....

CHEER FOR XAVIER !!!

जयपुर. सेंट जेवियर्स स्कूल के 1995 बैच ने इस साल स्कूल परिसर में रजत जयंती मनाई। हालांकि स्कूल से पास आउट होने के 25 साल 2020 थे, लेकिन पिछले साल लॉकडाउन के कारण यह इवेंट नहीं मनाया जा सका। छात्रों ने कक्षा 1 से 12 तक

1995 बैच को पढ़ाने वाले शिक्षकों को सम्मानित किया। 95 बैच के छात्रों को भी उनके परिवारों के साथ सम्मानित किया गया। सभी ने स्कूल यूनिफॉर्म में कैपस के चारों ओर तस्वीरें क्लिक कीं। लंबे समय के बाद पुराने दोस्तों से मिले और उनमें से कुछ ने विदेश से यहां आए। इस दौरान लंच और लाइव बैंड का आयोजन किया गया।

SILVER JUBILEE 1996 BATCH

IT WAS OUR SILVER JUBILEE...

Silver Jubilee of the batch of 1996 and some of us, have not met each other since graduation day! Now, years later we finally sat together, relished in each other's company, relived the fond memories of the past and caught up with each other's present, which included our families as well!

On 26th morning, we started our Silver Jubilee celebrations with group picture in front of the school assembly ground and then moved towards senior school hall for felicitation program.

The master of ceremony for our batch was Prashant Dayal and Mathew Philip. We felicitated our respected teachers with a token of love in form of gifts. Xavier's Alumni Association greeted us with our family on stage with a memento. Later we moved forward towards junior school assembly ground for live band and lavish lunch. The day was called off with high tea served to all.

An evening full of talks, dance and laughter was organised at Jai Club on 27th December, 2021

We re-created our golden days of school together on these two days last year.

Due to Covid-19 many of our batchmates from US, UK, Australia and few other countries couldn't manage to attend the celebration, so we went live on youtube and made them a part of the two day celebration. Each and everyone was overwhelmed by the reception and mementos given by Xavier's Alumni Association. The event was well managed by Shantanu Bhasin and his team. Clicking pictures, dancing and singing Xavier's Cheer song loud and clear has been engraved in our memory.

We hope to celebrate in the same way and revive some memories in the coming years too.

With love to one and all... Cheer for Xavier's !!!

REUNION : CLASS OF 1957

An unusual and some what historic Class Reunion took place a few weeks ago. It was the Class of 1957 which decided to have a reunion to celebrate the 65th year of their graduating from St Xavier's High School in December 1957. This is perhaps the first time that any class is celebrating the 65th year of their graduation from school.

22 students had graduated in that year, the largest class till then. Some have crossed to the other shore and are with their maker. Of those who are still fighting fit ten attended the Reunion in Jaipur. They were Om Prakash Bagaria, Dinesh Bhargava, Sobhagmal Jain, Shamshir Khan, Vijay Mathur, Colonel Fateh Singh, Jitendra Singh, Admiral Madhvendra Singh, Vinay Talwar and Kamal Surana. Due to domestic compulsions Kailash Bagaria, Vijay Menon, Hanut Singh, Brig Jogendra Singh and Maj Gen Deepak Verma could not attend.

A Reunion Dinner was held at the residence of Admiral Madhvendra Singh on 30 Nov. There was much bonhomie and recounting of experiences in school, including how we were given "bend overs" in those days. Anecdotes of picnics, prowess on the sports field were recounted - specially Xavier's domination in Basketball. The lessons of life that we learnt at Xavier's and which have stood us in good stead

all our lives were remembered, as were our Gurus like Fathers Birney, Cosgrove, Wilmes, Wilzbacher, Mann, Batson and others. Autographs and photos exchanged 65 years ago were shown in a power point presentation. There were many tales to tell but the time was just not enough.

Next morning the stalwarts walked around their Alma mater and then proceeded for lunch to the residence of Kamal Surana who very graciously also invited Office bearers of the Alumni Association and some contemporaries from their School days such as S.D. Mathur (55), Dr Gautam Sen (56), Col Dalpat Singh (58) and Col Janak Singh

REUNION : CLASS OF 1981

Reuniting with the kids we once were. This was the bottom line etched in everyone's heart, when we decided to meet. And voilà ... The place was pure heaven..Kufri in Himachal. School friends amidst nature ...What more does a man want.

From Oct 6th to 8th the "boys" and their most elegant wives got together to celebrate 41 years of graduating from school. Hugs, kisses and moist eyes heralded the first meeting...Then looks (or changes in looks) took over, then came

the pranks, the nicknames, the crushes and heartbreaks of youth. After things calmed down, the families and careers were discussed. Tambola, singing session, visit to landmarks and photoshoot were thoroughly enjoyed. The hill city was a witness to best dressed males and females. The icing on the cake was dinner and dance with cocktails.

The fun was given a break on 8th Oct with promises to meet again ..Soon. "Old friends never say Goodbye... They say see you soon."

RAFI CUP-2022

Football is a simple game; 22 men chase a ball for 90 minutes and at the end, the better team wins. That's what we all were witness to... a good game of soccer, 22 boys and 1 referee gruelling it out on the lower field. The occasion was final of Rafi Cup 2022, which is held in memory of our Past President late Mhd.

Rafi (1974 batch). Rafi was a great full back of his times. His memories are kept alive by his sons Saleem and Aameen, who have given a glittering trophy and organised the final match with fanfare. The two teams, with all guns loaded, entered the field to win. After gruelling 90 mins match Golds won by a margin of 3-0.

XAVIER'S ALUMNI INTERNATIONAL GOLF

Xavier's Alumni International Golf Trip was organised in August '22 at Huahin, Thailand. This was our second international trip and was a huge success.

FREE COVID VACCINATION CAMP FOR TEENS 15+

Xavier's Alumni on 12th January organized a vaccination camp at St. Xavier's School campus in C-Scheme for children aged 15 to 18. Due to the hard work and dedication of medical staff (Government), School Administration and the Alumni executive (school and college) the vaccination program went well and we were able to successfully vaccinate 165 kids.

XAVIER'S ALUMNI HANDBALL TOURNAMENT 2022

That sound of hands hitting the ball, the thud of ball hitting the wall. Those rollers and kills, a sure shot recipe to arouse passions and induce nostalgia in any homosapien who has studied in Xavier's.

The most loved game of Xavier's Handball was ceremoniously celebrated on the courts. The outcome was phenomenal. The young guns adding more power and aggression to the game and setting the bar higher. After gruelling matches in sweltering heat of Jaipur the best players contested for titles on 24th June.

In the keenly fought Doubles Final, teams of Shiraz Afridi (batch 2016) and Lakshit Sharma (batch 2017) defeated Aditya Bhardwaj (batch 2018) and Parth Vashishtha by 11-21, 21-18 and 21-12.

Then came the big game, The Singles Final. Both the contestants, or rather worthy adversaries, warmed up by previous match, took to the court with desire to win. Aditya, with his deadly service and pinpoint accuracy and Shiraj with experience and guile. Together they made us witness a great contest. Some shots and picks were seemingly impossible. In the end Aditya

Bhardwaj proved to be better. Final score, Aditya Bhardwaj (batch 2018) defeated Shiraz Afridi (batch 2016) by 21-12 and 21-19.

One more highlight of the game was participation of Rajeev Bhatnagar 1974 batch. His game still troubles lot of opponents.

This tournament was encouraged and sponsored by Ajay Kochar (1976) our President, Mahaveer Sharma (1984) and Luv Shekhawat (1998). We thank them from the bottom of our hearts.

We also thank Rev. Fr. Nelson, Rector for being our chief guest and blessing the event. The highlight of this presentation was that the organizers honored our handball legends Mukesh Jindal, Chandra Mohan Khandelwal, Rajeev Bhatnagar, Neeraj Bhardwaj, Sameer Bhatnagar.

A big word of thanks for the participants for that lovely and jovial Xavierite spirit. Special hats off to our young executives Kartik Sinha, Mhd. Tariq Khan and Nagendra Pratap Singh who painstakingly organized this event. Keep up the good work!!

ABHIMANYU MEMORIAL FOOTBALL MATCH

Those who sacrifice their lives for the nation are honoured in heaven. That is something we know for sure... And we are also doing our bit to honour our martyred dear friend Flying Officer Abhimanyu Singh Chauhan (1995 batch). This is an initiative by 1996 batch.

Abhimanyu, a keen footballer, we know he can be best remembered on the soccer fields. So to pay our homage, we played a football match between Alumni team and School team. This

year on 14th July, the field was set ablaze by some old and some not-so-old boys. The Alumni team won with scores 3-2. The highlight of the game was super performance by old war horse Suresh Nair (1989 batch) who incidentally had his son as a team mate.

The guest of honour was entire Chauhan family headed by Mr. Dharmendra Singh Chauhan. The programme ended with cake cutting along with snacks.

BATTLE OF THE BRAINS : NARESH PARDAL G.K. QUIZ

Naresh Pardal quiz competition was organised on 16th July 2022 by Xavier's Alumni Association with support of Pardal Family. Rajnish Pardal '77 was the chief guest and the organiser of the event, he sponsored prize money to all the four houses and chocolates to the visitors, who gave away right answers. The quiz master was Shantanu Bhasin and Satya Prakash Natha from 1996 batch. The questionnaire was prepared by Rajiv Jain of 1994 batch. The Red house, showing exemplary performance from the start, bagged the first position.

The participants of the winning team were :

- Akaash Krishnia - 12 B
- Manav Poonia - 12 F
- Ribhu Hooja - 12 D
- Aditya Khandelwal - 12 D
